### Leopard 27 Open - 2003

MOON GLIDER is a stunning example of the beautiful Leopard 27 Open (2003) from the Cantiere Navale Arno shipyard, 27 m (88ft) this is a very stylish Italian motor yacht, which underwent a refit in Phuket in 2017.

She is fast, slick and spacious too, offering huge outdoor space for relaxing in the sun, both on the huge bow sun bed, or on the fabulous aft platforms, which also offer very smart dining space. Internally, she has a very modern look in black gloss with a high quality luxurious feel and a high tea helm station.

Down below she has a huge Master Suite with a second salon, creating an ideal space where children can be entertained and looked after safely. She also has a very generous VIP cabin and a 3rd Pullman cabin.

Up forward there is also 2 crew cabins for a crew of 3/4. Now she looks in fantastic condition and is priced to sell, well under her current market value.

Featuring the more favorable MTU 16V2000M91 engines providing a total of 4000hp with Arnesson surface drives, her performance really is something to behold.

During her extensive refit in 2017 a custom AV system was installed throughout with an audio package that will really impress! All controlled via a PLC system, providing state of the art functionality to enhance your time onboard.

The Leopard 27 Open is a perfect boat for cruising around Asia, with plenty of indoor and outdoor space the opportunities for activities are endless. She's well equipped, and with her high speed cruising can reach exotic remote locations with ease. Safe and seaworthy she really is a fantastic vessel that will bring hours of enjoyment for family and friends.

This is a unique opportunity to own a very rare, stunning, performance yacht, at well below the global market value.

Selling due to owner upgrade.
