## Magnum Nor-Tech 4300V

This Cruiser's equipment

Observations, high performance boating reaches Asia, the Nor-Tech 4300 Super V is a weapon on the water. Powered by 2012 850hp custom supercharged engines built by Turbine Marine in the US with just 70 hours on them. She can reach speeds of 65mph and cruises comfortably at 45mph. Fitted out with style with high gloss mahogany timbers and Italian leather below she is in a class of her own with air conditioning throughout, a full head with hot water shower & even a reverse osmosis water maker. Triple electric bolster seats at the helm and a new Garmin 720map touchscreen plotter. First boat of its kind in the region and will not disappoint in condition or performance.

2 x 850hp custom supercharged engine new 2012

Bravo 1 XR drives

Keikefer trim tabs with indicators

Triple electric bolster seats at helm

Italian leather upholstery below

Garmin 720map touchscreen chartplotter

Teak laid swim platform

Full boat storage cove
